BLUESTOCKING

Students of Mary Baldwin College, Staunton, Va.

Katherine Sherrill

DEDICATION

She has won our admiration and respect by her understanding of and her interest in us. She has shown us her high qualities of leadership and her untiring efforts in the interests of both the students and the school.

To MISS KATHERINE SHERRILL, dean of Mary Baldwin College, do we, the editors, dedicate The Bluestocking of 1944.

S

ROLOGUE

In this, the BLUESTOCKING of 1944, we have endeavored to present to the seniors a review of some daily activities of their last year at college.

Included are some highlights of the traditional events in the college year—the Senior Investiture and planting of the ivy, and the May Queen, and the procession of seniors and attendants—these, we thought would be the most outstanding, as the years go by.

The Student Government Association

The preamble to our constitution reads: "We, the students of Mary Baldwin College, desiring to enter into that larger life which comes through self-control in our daily lives, through hearty cooperation in community welfare and government, through unselfish service in helping others, do hereby organize a Student Government Association which is based upon an honor system applying to every phase of our college life." Thus honor, which embodies individual responsibility also, is the underlying principle of our organization.

Every student becomes a member of the Association when she enters Mary Baldwin and shares in the rights and responsibilities of self-government. Although Student Government gives a great deal, it also demands a great deal from each individual. Through Student Government we hope to develop that uprightness of character, sincerity, and loyalty, all of which are so necessary in our everyday living.

Therefore, the purpose of Student Government will be that each moves forward, always, "to inspire to high endeavor."

The Y.W.C.A.

During the last fifty years, the Young Woman's Christian Association has served to guide the religious activities of the campus. Every student is encouraged to participate in the activities of the organization and student leaders form a cabinet to guide its work. The members of the cabinet work in close cooperation with our sponsor, Miss Mary E. Lakenan. Through the Christian endeavor of the students in definite types of work headed by cabinet members, mental, social, physical, and spiritual development is promoted. This program is introduced with the traditional candle light Vesper service—a recognition service for all students. Dormitory devotionals and World Fellowship Chapel programs as well as the Sunday night vespers are continued throughout the year.

The fellowship enjoyed by the girls makes possible lasting contacts with others through social service work. The Big Sister-Little Sister arrangement at the beginning of the year not only augments friendship but supplies a helper and adviser for each new student. Some of the social service activities are: weekly visits to and parties at the Bettie Bickle Home, the Virginia School for the Deaf and Blind, interest in the white and colored day nurseries, interest in the Mary Baldwin room at the King's Daughters' Hospital, play Santa Claus to children of Staunton at Christmas, and the Freshman project which will give recreational aid to the soldiers at the Woodrow Wilson General Hospital through gifts of books and records. Other projects include financial aid to a negro student at Stillman Institute, to a British refugee child, and to an Egyptian School child. Annual contributions are made to the National Y.W.C.A. organization, the Golden Rule Foundation, and the World Student Service Fund. Because the latter contribution averaged over one dollar per student, the Y.W. was awarded the certificate of highest honor this year.

The year's work is concluded in May, and another year is started with the Vesper Installation Service of the new cabinet members.

Mary Baldwin Honor Society

The Mary Baldwin Honor Society was founded in 1932. The purpose of the organization is to promote and recognize scholarship. The college, always ready to foster academic excellence, is pleased to honor those who have achieved such distinction and hopes that the Society will prove to be a challenge and an inspiration to all students of the institution. Members of the Honor Society are chosen by the faculty.

The graduates of the University Course of Augusta Female Seminary and Mary Baldwin Seminary were elected to the Honor Society in May 1942. Many of these alumnae were initiated into the Society at the Centennial Celebration in June of that year, and others at later meetings of the Society.

The faculty elects members of the Society at the end of every semester. Josephine Hannah, of the Class of 1944, was elected to the Society in February, 1944.

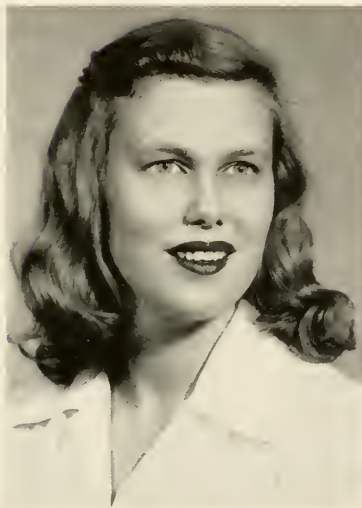

Algernon Sydney Sullivan Award

The New York Southern Society, in order to perpetuate the memory of Algernon Sydney Sullivan, through whose efforts the Society was founded, in such a form that shall be most expressive of his character, established an award to be made in certain Southern colleges, to one member of the graduating class of each institution selected. Each school may present this award to another person, not a member of the student body, in whom accomplishment and service are outstanding, and who shall have some interest in, association with, or relation to said institution.

Mary Rose Mitchner of Sumner, Mississippi, Vice-President of the Student Body, was presented with this award at the 1943 Commencement.

At the same Commencement this award was made to Dr. Mary Watters, author of *The History of Mary Baldwin College*.

The Bluestocking

Each year, the College annual, THE BLUESTOCKING, is published by an Editor-in-Chief and a Business Manager, both of whom are members of the Junior Class and elected by the students, and by a staff carefully chosen from the Junior Class. There is also a representative from the Sophomore and Freshman Classes.

It is our primary purpose in presenting the year-book to give a view of this year as a whole and to help the girls keep alive the memories of their days at Mary Baldwin.

Miss Fannie Strauss, the sponsor of THE BLUESTOCKING, gives us invaluable aid, and the editorial and business staffs work under her supervision.

We also received much needed help from Bunny Armistead, Peggy Davis, Grace Brauer, who worked with the staff, and we wish to express to them our sincere thanks.

Last year's annual, THE 1943 BLUESTOCKING, edited by Mildred Mohun, won All American Honor Rating as given by the National Scholastic Press Association, of which organization THE BLUESTOCKING has long been a member.

Campus Comments

Campus Comments, weekly newspaper of the college, strives to serve as an organ for the expression of student opinion and to reflect the Mary Baldwin spirit. The paper is representative of the entire student body being edited, planned, and written by the students themselves. The newspaper is closely affiliated with the journalism classes of the college.

Since journalism classes were introduced in 1932-'33, *Campus Comments* has achieved recognition from both State and National Press Associations. In 1940 it won a high honor rating from the Associated Collegiate Press; in 1938 and 1943 it won first class honor ratings; and in 1937, the newspaper was awarded an All American rating. At the Virginia Intercollegiate Press Association Convention, it has placed first twice and second several times.

Although *Campus Comments* is strictly a student publication, the unobtrusive but indispensable aid of Dr. Mary Swan Carroll, faculty adviser, has resulted in many improvements. Unusual feature pictures which add to the reader appeal of the paper have been taken since 1939 by Dr. Lillian Thomsen, who takes publicity pictures for the college.

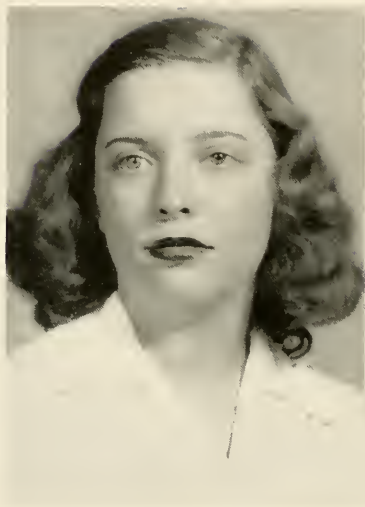

Appearing first on December 25, 1924, as a fort-nightly, bulletin-sized paper, *Campus Comments* has improved steadily, becoming an interesting and vital part of the college life.

The Miscellany

The first issue of *The Miscellany*, which appeared forty-five years ago, closely resembled a newspaper, but only a year later it took the form of a magazine. That first magazine-issue was small and plain, but it was a step forward and *The Miscellany* has continued on its way. Always it has tried, by publishing student contributions, to encourage creative writing and to stimulate interest in creative writing.

In the following years the changes came fast and furious. The first cover design was used in 1904, and later color was used in that design; still later there was another change—the addition of ads; the print became larger and more pages were added until *The Miscellany* became the magazine it is today.

In 1938 *The Miscellany* received the All-American honor rating. In 1942 it was awarded the highest honor bestowed annually on magazines of its classification by the Virginia Intercollegiate Press Association.

The Miscellany has undergone many changes during the past forty-five years, and undoubtedly it will continue to change, but the aim of *The Miscellany* will remain the same—to encourage literary works, increase campus interest, and to grow forever upward and onward along with the college it represents.

ATHLETICS

ANN KIVLIGHAN

President

Athletic Association

Sportsmanship is the heritage of every Mary Baldwin girl. The Athletic Council serves as a guide for our sports program and this year the interest and cooperation has been particularly successful. The point system was revised under the direction of our new faculty advisers, Miss Christine Foster and Miss Anna Mae Smith. Every Mary Baldwin girl has actively entered into a number of sports and due to this, as well as the point revision, there will be more awards of letters, sweaters and blazers than ever before at the Athletic banquet.

The Athletic Picnic officially inaugurated sports this year at Mary Baldwin with the skits and the Faculty-Student baseball game. Hockey season quickly followed, with interest intensified by the visit of Miss Appleby and our Hockey Play Day, at which Stuart Hall and Madison College were our guests. The season was climaxed by the Senior Class winning the Hockey Championship for the fourth year. Soccer, initiated this fall, was exceedingly popular.

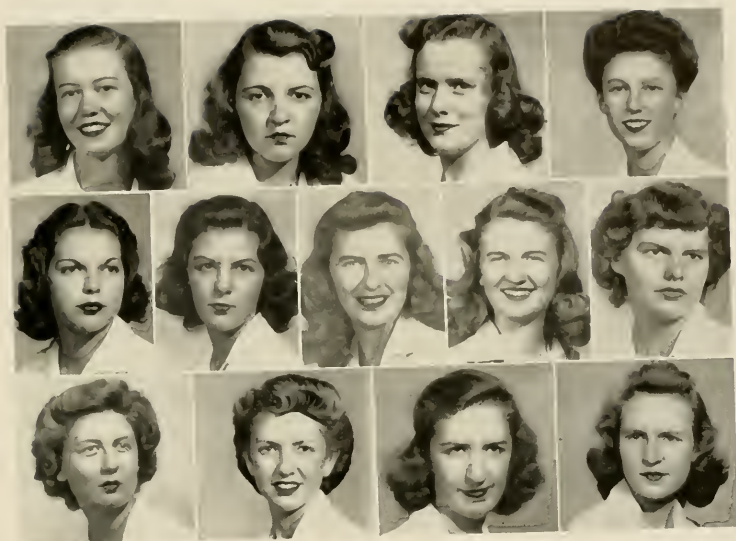

Basketball monopolized the winter months. With both a Dormitory and a Class tournament, games were played nearly every week. The Faculty Women-Memorial game ended the Dormitory tournament and the Faculty-Senior game officially closed the season.

During examinations a special sports program was carried out to encourage every girl to keep fit. Bowling held everyone's interest, and an old fashioned Square Dance was a help in keeping up our spirits.

The extensive swimming program scheduled for March prevented the campus from succumbing to spring fever. Our swimmers competed in a National Telegraphic Meet as well as in the annual school meet. The Swimming Club sponsored a water pageant which revealed how profitable had been the time and effort expended in aquatics.

Late spring found us playing baseball on our class teams as well as practicing for the tennis tournament. Walking, badminton, and archery also kept us out in the sunshine.

It is not hard to realize why so many Mary Baldwin girls have entered into athletics with such enthusiasm. We want to feel that we are keeping fit as part of our war effort and that is the reason we can be doubly proud of the total participation of the students in our athletic program.

Hockey

One of the major sports at Mary Baldwin, the Hockey games are of interest to every member of the faculty and student body. Class games are held as well as student-faculty games. At the close of the school year, a cup is presented to the winning team. The varsity team is chosen by a special committee and consists of those who have been outstanding in skill, sportsmanship, and interest.

ARCHERY

Archery is a favorite sport during the warmer months of the school year. Classes are offered and the tournament at the end of the school year is of interest to all.

BADMINTON

Badminton has become one of the leading sports this year. The Gym is available at all times for those girls who are interested in playing and doubles and singles tournaments are entered by many members of the student body.

MODERN DANCING

Several classes are held weekly for those who are interested in Modern Dancing. The members of these classes also take part in the Commencement Pageant.

TENNIS

During the spring and fall the courts are always filled with the many girls who play tennis. Classes add to the interest in this sport and a trophy is given at the end of the year to the winner of the tournament.

PING-PONG

The tables in Upper Back Gallery, and the Gym are in constant use by those who enjoy ping-pong. Its popularity has increased much in the last few years.

HIKING

Hiking is one of the sports that all Mary Baldwin girls enjoy. Long organized hikes are taken and credit is given to those who are working for athletic awards.

SOCCER

Soccer is one of the leading fall sports. Classes are held and frequent games are played on the Athletic Field. The faculty-student game was of much interest this year.

POOL

One of the favorite indoor sports, pool, is enjoyed by both faculty and students. Tables in the Gymnasium and by the postoffice are in constant use, especially between classes.

SWIMMING

With the beautiful new pool in the Gymnasium, swimming has become even more popular this year. Classes are held for those girls who wish to learn all types of swimming and diving. Dip hours are set aside each day, and instructions are given for Life Saving courses. A swimming meet at the end of the year climaxes the season.
